

You can't have a cool, comfortable kitchen, if you keep a fire burning all day.

The New Perfection Oil Cook Stove gives you controlled heat when you want it—a high, blue flame with white tips (the hottest flame for fast cooking) or a low, even flame for simmering. Just turn the handle—that's all. Then, too, all the drudgery that goes with coal hods, ashes and soot is abolished from the cooler, cleaner kitchens where the New Perfection is used.

The New Perfection Oil Cook Stove comes in 1, 2, 3 and 4-burner sizes. 3,000,000 users like it because it means a sure fuel saving.

For your further convenience—the New Perfection Water Heater. Hot running water at a very moderate cost. Ask your dealer.

THE BETTER BABIES CONTEST
All babies of the town of Burketon under the age of six months and one year will be invited to enter the Better Babies Contest to be held in Congregational church parlors on Tuesday, July 8. The contest is being arranged under the auspices of the County Farm Bureau. Examinations will begin at 10 a. m., continuing until all babies entered have been examined. The examinations will be entirely private, only the baby and mother, the doctor and an attendant being present. The doctor will be asked to bring with him a simple toy and a small flannel blanket. The score card used will be the standard score card applied for such contests, the entry card by the Better Babies League of the Woman's Home Companion. The purpose of the contest is educational rather than competitive. The Better Babies Health Exhibit will be held in connection with the contest, this being of special interest to mothers.

Prizes are given by the Better Babies Bureau, are one bronze medal for the highest scoring baby in the contest; one Better Babies diploma for the highest scoring boy and one for the highest scoring girl in each group, the groups being arranged according to age. The Better Babies Certificate, given to every child who is examined in the contest, is a short program of music, singing and a talk on health by one of the nurses.
